Mobile Phones on RPS School Camps

Dear Year 6 Parents and Carers

Following a range of difficulties during recent school camps, we have made the decision to change our approach to students bringing mobile phones to these events.

Previously, we have allowed students to bring their mobile phones on camps, to be used as cameras only (the sim cards have been removed.) However, despite best efforts, this has still resulted in a range of issues arising and, as a result, the overall experience for students has been diminished slightly.

So, moving forward, **students will not be permitted to bring mobile phones on school camps**. Attending staff always take plenty of photos and these can be shared with the students and their families, at a later date.

Students will be permitted to bring a standard camera if they choose. However, this certainly isn't an expectation and is probably unnecessary.

We are confident that this step will improve the overall experience for all students.

If you have any questions or queries, then please don't hesitate to ask.

Many thanks

A handwritten signature in black ink, appearing to read 'Sean Moran', is written over a faint circular stamp.
